

Please REJECT NAB's petition 04-160. I pay for my XM service and use the instant weather and traffic as myself and my family travel across the country frequently. We enjoy our XM radio stations for their content and more importantly, what they lack in content (commercials). Granted, some stations to have commercials, we listen mostly to the commercial-free ones. Their variety of listening opportunities are unavailable elsewhere and for the NAB to want to take away something that I pay for is selfish on their part, greedy on their part, and a violation of my right to listen to what I want to hear. It should not be up to THEM (NAB) to make up MY mind for me. Thank you for giving me this opportunity to voice my say.
